Corum secures strategic partnership deal

- Pharmacy Alliance awards Corum approved vendor status under a Heads of Agreement.
- Corum's suite of software solutions and professionalism close the deal.

Corum Group Limited (ASX: COO) is pleased to announce that it has entered into a strategic partnership with Pharmacy Alliance Pty Ltd – one of Australia's largest pharmacy groups. Under a Heads of Agreement, Corum will act as an approved vendor for software and other solutions comprising multi-store management and in-store retail and clinical software within the Pharmacy Alliance member network.

Key to this agreement is Pharmacy Alliance's confidence in Corum's suite of software solutions and the ability to deliver a multi-store management system via their head office platform which will assist members to more effectively operate their pharmacy.

The deal will leverage Corum's latest dispensing solution *Corum Clear Dispense (CCD)*, its well-regarded *LOTS Point Of Sale (LOTS POS)*, and its unsurpassed backup, disaster recovery and monitoring solution *SafeGuard Plus*. Underpinning this pharmacy solution set is Corum's capability in the head office solution space with its widely adopted and successful *RPM Head Office* application. The announced evolution of this platform into SaaS (Software as a Service) environment will provide Pharmacy Alliance with a powerful, reliable and scalable head office solution to meet the needs of their members.

Corum Group CEO David Clarke said, "We are delighted to partner with Pharmacy Alliance in providing a comprehensive pharmacy and head office software solution for their membership. The hard work and dedication of both teams will ensure the success of this relationship and set a solid foundation for growth between the two companies."

Pharmacy Alliance Managing Director Simon Reynolds said, "Whilst Corum is a longstanding software provider within the industry, it's their combination of solutions and professionalism that has given us confidence that we will be supported every step of the way."
